Dr. Eeans, one of our very best physicians freely states that he considers it the less remedy we have for pulmonary diserses, and that he has cured more cases of CROUP with it than any other med-

cured more cases of CRODY. What icine he ever administered.

Our clergyman of the Haptist Church says that during the run of INFLUENZA here this season, he has seen cures from medicine he could scarcely have believed without seeing.

Yours respectfully.

\$500 CHALLENGE. WHATEVER concerns the health and happiness of a people is at all times of the most valuable importance. I take it for granted that every person will duall in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifice. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breath, Pain in the Stomach, Picking at the Nose, Hardness and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

HOBENSACK'S WORM SYRUP. An article founded upon scientific Principles, com-pounded with purely vegetable substances, being per-fectly safe when taken, and can be given to the most tenfectly safe when taken, and can be given to the most ten-der Infant with decided beneficial effect, where Bowel-Complaints and Diarrhora have made them weak and debilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of nucleines, in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with Dysepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM! This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestine and Stomach effecting the health so sadly as to cause \$\frac{1}{2}\$. Vitus Dance, Pits, &C., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take \$\frac{1}{2}\$ to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in doses of \$2 Tablespoonfulls 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

Hobensack's Liver Pills.

No part of the system is more liable to discase than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Compleist, Jaundice, Dyspepsia, &c. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. Those Pilts being composed of ROOTS & PLANTS furnished by nature to heal the sick. Namely, lst, An EXPECTORANT, which augments the secretion from the Pulmonary mucos membrane or promotes the discharge of secreted matter. 2nd. An ALTERA lst, An EXPECTORANT, which augments the secretion from the Pulmonary mucos membrane or promotes
the discharge of secreted matter. 2nd. An ALTERATIVE, which changes in some inexplicable and insensible manuer the morbid action of the system. 3d. A
TONIC which gives tone and strength to the nervous
system, renewing health and vigor to all parts of the
body. 4th. A CATHARTIC, which acts in perfect harmony with the other ingredients, and operating on the
Bowels, and expelling the whole masss of corrupt and
vitiated matter, and purifying the Blood, which destroys
disease and restores health.

To Females.

You will find these Piths an invaluable medicine in many complaints to which you are subject. In obstructions either total or partial, they have been found of incestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from fonale irregularities, as headache, glddiness, diamess of sight paints the side, back, dec.
